Huerita is maintaining her weight at 8.63 pounds. We gave the rabies vaccine on her left hip. Let us know if any lethargy or soreness. IF she starts showing any reaction signs such as hives and swollen eyes, call us immediately.

If after hours, please call Dr. Tran at 562-234-0761. If the swelling is quick and she shows sign of breathing difficulty, take her to AERC (where you went last time with Shadow); their number is 310-325-3000...tnt
